

LUYSTER CREEK ENERGY PROJECT AT THE ASTORIA GENERATING STATION

A project to increase the efficiency of electricity production and decrease the environmental impacts in Astoria, NY

THE ASTORIA GENERATING COMPANY (AGC) INVITES YOU TO ATTEND A:

Public Hearing Session on the
Draft EIS and Draft Air Permits:
Wednesday, August 24, 2011

Afternoon and Evening Sessions will provide the same opportunity to participate. Refreshments will be served.

3:00 pm and 7:00 pm
RICCARDO'S BY THE BRIDGE
21-01 24th Avenue, Astoria

Open Houses will be held at 2 PM and 6PM to provide an opportunity to review information and ask questions. DEC will then provide an opportunity for the public to comment on the Draft Environmental Impact Statement (DEIS) and Draft Air Permits for the Luyster Creek Energy project. We encourage the public to review the documents in advance of the meeting.

Copies of the DEIS, Air Applications and Draft Permits are available at the following locations:

- Queens Community Board 1,
36-01 35th Avenue, Astoria
- Queens Borough Public Library,
89-11 Merrick Boulevard, Jamaica
- Queens Borough Branch Public Library Astoria
Branch, 14-10 Astoria Boulevard, Long Island City
- NYS DEC Region 2 Office,
Division of Environmental Permits, 47-40 21st Street,
Long Island City

Information regarding the proposed project and the Draft Environmental Impact Statement can also be viewed and downloaded from the Luyster Creek Energy Project website (www.USPowerGen.com) and the NYS DEC website at www.dec.ny.gov/permits/66991.html.

In addition to comments received at the meeting, written comments will be accepted by the NYS Department of Environmental Conservation (NYSDEC) until September 9, 2011.
