

# LUYSTER CREEK ENERGY PROJECT AT THE ASTORIA GENERATING STATION

A project to improve efficiency and reduce air emissions

The Astoria Generating Company (AGC) invites you to attend a:

## PROJECT INFORMATION MEETING MONDAY, SEPTEMBER 13, 2010

*Afternoon and Evening Sessions will provide the same opportunity to participate. Refreshments will be served.*

2:00 pm and 6:00 pm  
RICCARDO'S BY THE BRIDGE  
2101 24<sup>th</sup> Avenue, Astoria

An Open House will be held for the first hour to provide an opportunity to review information and ask questions. AGC will then present a Project overview and summary of the proposed environmental studies to be performed.

---

## PUBLIC SCOPING MEETING STATE ENVIRONMENTAL QUALITY REVIEW (SEQR) MONDAY, SEPTEMBER 20, 2010

*Afternoon and Evening Sessions will provide the same opportunity to participate. Refreshments will be served.*

2:00 pm and 6:00 pm  
RICCARDO'S BY THE BRIDGE  
2101 24<sup>th</sup> Avenue, Astoria

An Open House will be held for the first hour to provide an opportunity to review information and ask questions.

The New York State Department of Environmental Conservation (DEC) will present an overview of the SEQR Process and AGC will present a brief Project Overview.

An opportunity for the public to comment on the draft Scoping Document will be provided. The Scoping Document identifies issues that will be assessed in the Draft Environmental Impact Statement (DEIS) for the project. We encourage the public to review the document in advance of the meeting.

**Copies of the Draft Scoping Document are available at the following locations:**

- Queens Community Board 1, 36-01 35<sup>th</sup> Avenue, Astoria
- Queens Borough Public Library, 89-11 Merrick Boulevard, Jamaica
- Queens Borough Branch Public Library Astoria Branch, 14-01 Astoria Boulevard, Long Island City
- NYS DEC Region 2 Office, Division of Environmental Permits, 47-40 21<sup>st</sup> Street, Long Island City

Information regarding the proposed project and the Draft Scoping Document can also be viewed and downloaded from the Luyster Creek Energy Project website ([www.USPowerGen.com](http://www.USPowerGen.com)) or the DEC website (<http://www.dec.ny.gov/permits/66991.html>).

In addition to comments received at the meeting, written comments will be accepted by the NYS Department of Environmental Conservation (NYSDEC) until October 25, 2010.
